Gear Technology. Worldwide.

My ideas. My skill. My chance.

Achieving challenging goals together: with around 3,100 employees worldwide, IMS Gear develops and produces specific drive solutions for international customers. In addition to the industry focus automotive, the focus is on applications for industry and e-mobility concept. We need your ideas and your skills at the **location Virginia Beach**.

Training & Development Specialist (m/f/d) - Virginia Beach (Virginia) U.S.A.

YOUR TASKS

- Ensure practical and application-oriented knowledge transfer in a production environment
- Optimize and further develop existing training modules
- Design, develop, and expand specialized training and development programs for employees
- Establish and maintain partnerships with schools and educational institutions
- Collaborate closely with the HR organization and local management team
- Develop site-specific training concepts in cooperation with HR
- Deliver and facilitate the training

YOUR QUALIFICATIONS

- Completed apprenticeship as a Mechatronics Technician, Industrial Mechanic with mechatronics expertise, or a comparable technical qualification
- Several years of professional experience would be an advantage, ideally within the automotive industry
- Passion for knowledge transfer and ideally initial experience in delivering training and educational content
- Strong interpersonal skills combined with the ability to influence and motivate others
- Structured, organized, and clear communication style
- Excellent English language skills, both written and spoken
- Strong intercultural awareness and the ability to work effectively in an international environment

WE OFFER

- Competitive compensation and benefits, including relocation support
- Paid vacation and public holidays
- Training and professional development opportunities
